PROSPECTUS FOR GNM COURSE

OVERVIEW

Nursing, a profession that recalls the name of Florence Nightingale is indeed one of the noblest profession in the world. It is the art of caring for sick people with the Science of healthcare, and is a vital component of Medical care practices.

The “Regional Institute of Nursing” Itanagar, Papum Pare District, Pin – 791113, Arunachal Pradesh is managed by International Charitable Society, Itanagar. The Institution has been established in 2023 under the permission of Government of Arunachal Pradesh and Recognized by the Indian Nursing Council, New Delhi and Arunachal Pradesh Nursing Council, Naharlagun (A.P).

LOCATION

The Institution is located in the heart of Itanagar town at G-Extension Sector, adjacent to Model English School, Itanagar, Arunachal Pradesh in a peaceful atmosphere for learning and assimilation. It is barely 100 meters from the Capital Revival Church, Ganga, Itanagar.

AIM

The Institute aims to prepare diploma in nursing professionals who can make independent decisions in nursing situations, protect the rights and facilitate individuals and groups in pursuit of health, function in the hospital, community nursing services, health care centers etc.

OBJECTIVE

On completion of the programme, the Diploma in nursing holder will be:

1. Professionally competent to provide optimum health care services to all people irrespective of race, color, caste and creed regardless of socio-economic status.
2. Competent in the skills and techniques in nursing based on concepts and scientific principles.
3. Capable of leadership and supervisory roles in teaching and practices in health care setting as well as in the community.
4. Practicing moral and ethical values in personal and professional life.

ACADEMIC FOCUS

The programme is designed to develop an attitude in the students, provide necessary knowledge and skills to recognize and intelligently interpret the physical, mental and emotional manifestation of illness and prepare them to plan individual nursing care based on their unique needs.

The programme also helps develop abilities to work with other health care team Viz. Medical and paramedical personnel, impart principles of hygiene to the public.

CAREER SCOPE

Caring services in all sectors including Nursing Homes, Health Care Centers, Educational Institutes, Hospitals, Corporate Houses, Voluntary sectors, the opportunities are limitless on a global scale. As India emerges as the health care tourism destination, employment opportunities to professional nurses, only abound in future.
